

# Maritime Marketplace

## CONNECTING THE GLOBAL MARITIME MARKET

Register as a supplier or start your search as a buyer: [www.maritime.market](http://www.maritime.market)

### Register as a supplier to benefit from:

Access to the world's leading database of more than 120,000 maritime professionals to promote your latest products and services directly.

Content marketing platform to showcase your latest press releases, case studies and brochures.

Promotional packages available to give you increased lead generation and exposure across the site.

### Buyers will be able to:

Use Maritime Marketplace free of charge to access the best products from our global network of trusted suppliers.

Streamline their procurement process and gain direct access to your company all year round.

Compare suppliers from our global network and speak directly to suppliers, giving them unrivaled access to make efficient buying decisions.

## Maritime Marketplace is supported by world leading maritime events and media

Gain access to the world's largest database of maritime professionals and connect with maritime suppliers year round.
